

Wilkerson Family

To Mozambique

Dear Pastors and Partners in Ministry,

November, 2024 Prayer Letter

Thank you for your faithful prayers and support.

New Member Of The Family

We are so thankful to the Lord for the arrival of Henley Ruth Wilkerson. She was born on October 18th here in Africa. The c-section surgery went very smooth and both mom and baby are healthy and well. Thank you to the many that prayed with us in this matter. We are thankful for answered prayers. We did not know the gender of Henley prior to birth. We prayed that God would give us a healthy baby that would be a good sibling to Alaine and Logan. **We believe the Lord gave us the exact gift we needed in Henley Ruth.** We know that with the trials Alaine will face in her future, she would need a Ruth in her life, meaning "compassionate friend". We pray that she loves Jesus all of her days and is a sweet sibling for Alaine and Logan. Adjusting to three children has been a fun challenge and we anticipate including Henley into the various ministries the Lord allows us to serve in.

Celebrations & Baptism

This month we celebrated Alaine's second birthday with friends and some family :). Tristan's mother came in from Tennessee to help during Henley's birth. We are very grateful to the Lord for another year with Alaine. She is a sweet little girl and doing better than she ever has. As many of you know, she has had a difficult couple years of life however, we are constantly reminded about the faithfulness and gracious God we have. This celebration also reminded me to tell you about Adrain who followed the Lord in believers baptism recently. **Adrain was the first person I was able to see saved and baptized here.** The gospel is alive and powerful! God loves to change lives.

Plenty of Ministry Opportunities

This season of life offers a number of ministry opportunities. Noah has been able to fill in the pulpit through preaching for several good churches recently. Bay Baptist Bible College started by missionary Kevin Hall is also moving forward for the glory of God. Noah was able to teach Pneumatology (The study of the Holy Spirit) to these college students. This subject is of great controversy in Africa and now more than ever, laborers here must know what the Bible says rather than man's opinion. **The most important day of the week is probably Saturday outreach and soul-winning.** Please continue to pray that souls would turn to Christ alone for salvation. Curtis, Shane, Bradley and Jason are all in desperate need of the Savior!

PRAYERS

- Health of baby Henley and Tris.
- Pray for Kuyga Baptist Church.
- Souls to be saved during outreach and for more laborers.

PRAISES

- We praise the Lord for another year with Alaine
- We praise the Lord for healthy churches and Bible college.
- Believers obeying in baptism.
